The Sleep Number SofaBed by Select Comfort™

owner’s manual
Congratulations on your purchase of The SLEEP NUMBER® SofaBed™, the only sofa sleeper featuring the adjustable firmness and comfort of the Sleep Number® bed. The Sleep Number® SofaBed™ promises to bring comfort to your overnight guests and style to your home. Created in partnership with Berkline®—America’s leading motion furniture manufacturer—the new Sleep Number® SofaBed™ combines the sophistication of a custom sofa with the innovative technology of the Sleep Number® bed.

The technology behind the Sleep Number® bed is one that recognizes the unique sleeping needs of every individual, which vary according to comfort preference, body type, height, weight, sleeping position and other health and lifestyle factors. By creating a fully personalized sleep surface, your new SofaBed™ offers a Queen-size Sleep Number® bed with customized comfort on both sides of the mattress to improve the quality of sleep for you or your guests.

Beyond personalized comfort adjustment, the SofaBed™ has several features not available in other sofa sleepers. The mattress is a standard Queen size and is 11 inches thick, as compared to the average four to seven inch thickness found in most sofa sleepers. There is no uncomfortable bar in the back to prevent you from sleeping comfortably. In addition, the Sleep Number® SofaBed™ features plush sitting comfort for your family and guests.

We’re confident that the Sleep Number® SofaBed™ will make your home a favorite overnight destination for your friends and family and that they, too, will soon want to join the Sleep Number® sleep revolution we began in 1987.

We thank you for your purchase, and wish you years of personal comfort and restful sleep.

Learning to operate your Sleep Number® SofaBed™ is the first step toward a customized sleeping experience for you or your guests.

before you begin

Get to know your Sleep Number® SofaBed™
Your SLEEP NUMBER® SofaBed™ comes fully assembled and ready to operate. Please familiarize yourself with the location of important items listed below.

1. Non-skid panel
2. Pull strap for opening
3. Gray support legs
4. Pockets holding the air-chamber exhaust valve caps
5. Snap fasteners
6. Remote-control pocket
7. Slots for back panel access
8. Pump location

Orientation
These instructions refer to “left” and “right” as if you are standing at the head of the bed looking toward the foot of the bed.
Opening the Sleep Number® SofaBed™ Foundation

Before opening the SLEEP NUMBER® SofaBed™ remove the seat cushions and fold the non-skid panel down.

1 Pulling out the Sleep Number® SofaBed™

Holding onto the strap, pull up and towards you. (Look for bright yellow label.)

2 Holding onto the center of the support leg, pull up and toward you. (Look for bright blue label.) Guide frame with both hands as it unfolds.

3 Repeat for second support leg until foundation is fully extended. (Look for bright green label.)

4 Inflating the Sleep Number® SofaBed™ Mattress

a. Remove the two air-chamber exhaust caps from the pockets located at the foot of the mattress.

b. Lift each pocket to expose the openings to the air-chamber exhaust valves.

c. Install the air-chamber exhaust cap onto the air-chamber exhaust valve by screwing the cap onto the valve tightly. Repeat this procedure for the second cap/valve.

d. If not already plugged in, plug in the power cord of the Sleep Number® Firmness Control System™ to an electrical outlet.
**SofaBed™ Operation**

5. **Operating the Remote**
   
a. On the remote (located in the pocket at the head of the bed), press and hold the up ▲ and down ▼ buttons at the same time on either the left or right side of the remote until the pump starts. Then release the buttons. This will fully inflate both sides of the air chamber.

   b. Follow the instructions in the “Finding Your Comfort Level” section to find your personal SLEEP NUMBER®.

6. **Deflating the Sleep Number® SofaBed® Mattress**
   
a. Remove the air-chamber exhaust caps from the air-chamber exhaust valves and return them to the pockets at the foot of the bed.

   b. Allow a few minutes for the air chambers to completely deflate.

   c. Place remote back into the remote-control pocket.

7. **Closing the Sleep Number® SofaBed® Foundation**
   
a. Lift the end of the bed and flip onto the middle third of the bed. Push the support leg until it clicks into place.

   b. Lift the end again and flip onto the top third of the bed. Push the support leg until it clicks into place.

   c. Holding onto the strap, lift and gently push towards the sofa allowing it to fall into place.

   d. Reposition the non-skid panel and replace the seat cushions.

**Safety**

- Keep all plastic packaging away from children and dispose of properly.
- Ensure the foundation is free of obstructions before opening or closing.
- Be sure not to pinch the cord or the remote control for the Sleep Number® Firmness Control System™ in any folding mechanism.
- Use caution when opening the sleeper around children and pets.
- Never inflate the mattress in the closed position.
- Do not attempt to close the foundation before completely deflating the mattress.
- Do not place sharp objects on the upholstery or mattress.
Finding Your Sleep Number®

Congratulations on successfully operating your Sleep Number® SofaBed®. Now you are ready to find your Sleep Number®—your personalized comfort level.

before you begin

Unlike innerspring mattresses, a SLEEP NUMBER® SofaBed® can be personalized at any time to the changing condition of your body. Some reasons to alter the firmness of your bed include:

• strained muscles
• back pain
• weight change
• pregnancy
• bad sunburn
• new sleep position

Dual Adjustability

You have the ability to personalize each side of your Sleep Number® SofaBed®. Since no two body types are the same, each sleep partner should find their own comfort level. The “L” buttons on the remote correspond to the left side of the bed (left is determined when lying on your back on the bed) and the “R” buttons correspond to the right side of the bed.
Sleep Number® Firmness Control System™

What is a Sleep Number®?
Your SLEEP NUMBER® is a setting between zero and 100 that represents the ideal combination of mattress comfort, firmness and support for your body, giving you the best night’s sleep possible.

Your Sleep Number®
When you shopped for your Sleep Number SofaBed by Select Comfort™, you may have discovered your Sleep Number®. You should use this as a starting point when setting the firmness of your Sleep Number® SofaBed™. If you don’t have your Sleep Number®, this section will take you through the process of finding your Sleep Number® and will provide you with additional information about your Sleep Number® SofaBed™. If you don’t already have your Sleep Number® or if you would like to experiment with finding a different Sleep Number®, use the instructions below.

Setting Your Sleep Number®
STEP 1. Lie on The Sleep Number SofaBed by Select Comfort™ in your normal sleep position, holding your remote.

STEP 2. Press any button on the remote to “wake” it up. Within 3 seconds, it will display the current Sleep Number® setting. If you’d like to make the bed softer or firmer press and hold the ▲ or ▼ button until you’re comfortable. When you release the button, the new Sleep Number® setting will be displayed. Continue until perfectly comfortable. The number displayed is your personal Sleep Number®.

If you would like to experiment further with your Sleep Number® setting, refer to the information on page 9.

evaluate your comfort level

• Neck and back are aligned in the same position as when you are upright.
• No discomfort at shoulder and hip pressure points.
• You feel the mattress support the small of your back (back sleepers) or the curve of your side (side sleepers).

★ Your pillow should help keep your body aligned properly, otherwise it may interfere with your ability to sleep comfortably. Visit our Web site or one of our stores to see the extensive selection of innovative pillows we carry.
making changes to your Sleep Number®

The Simple Step-by-Step Process

**Sleep Number® Firmness Control System™**

**STEP 1.** Lie down on your Sleep Number SofaBed by Select Comfort® in your normal sleep position, holding your remote.

**STEP 2.** Take time to evaluate your comfort (see diagrams on page 8).

**STEP 3.** If you like the feel of the SofaBed, press any button to display the SLEEP NUMBER®. If you find that the mattress is too soft or too firm, press and hold the ▲ or ▼ button until comfortable. When you let go of the button, the Sleep Number® setting will be displayed.

**STEP 4.** Try to sleep at this Sleep Number® for a few nights. It may take your body that long to become completely accustomed to a new sleep surface. Reevaluate your comfort level. If you need to make adjustments to your Sleep Number® setting, repeat steps 3 and 4.

**Sleep Number® Study**

As you can see, Sleep Number® bed owners find comfort at all settings from 0–100, however the majority of sleepers find their Sleep Number® between 35–50.

Please call Customer Service at 1-800-473-1073.

Mattress Care

The cover of your SLEEP NUMBER® mattress may be spot cleaned with carbonated water or mild detergent. Do not dry clean the mattress cover or put it in a washing machine. Also, please do not apply stain-guard, as it may cause yellowing of the fabric.

Select Comfort is a leader in the industry in the use of materials designed to inhibit the growth of allergens or microorganisms that, in rare circumstances, can form inside any mattress, bedding, pillow or upholstered product.

Advanced antimicrobial safeguards are incorporated into every Sleep Number® bed. Key components of the mattress have been treated to protect the bed from contaminants such as mold, mildew and bacteria growth. The unique, zip-open design of the Sleep Number® bed allows you to easily open and view the inside of your bed, and ventilate or vacuum, if you choose.

In rare instances under the right conditions, mold or mildew can form inside many types of mattresses, bedding or upholstered products. Should this condition occur in your mattress, please contact our customer service department so we can work with you to return your bed to factory fresh condition. If you have particular sensitivities to dust mites, mold or mildew, you should exercise care to minimize any direct exposure to these allergens. Select Comfort is dedicated to your sleep and satisfaction, and the unique, modular construction of the Sleep Number® bed makes it easy for us to remedy the situation for you.

Cleaning the SofaBed™ Upholstery

If spot cleaning of your sofa becomes necessary, take care to use a damp cloth and mild soap, if indicated. Please see the guidelines below.

Moving your SofaBed™

When moving your SofaBed™, secure the foundation in place by using straps or ties. The back of the sofa is also removable for easier moving. (See safety tips on page 6.)

Troubleshooting

Should you need to access your Sleep Number® Firmness Control System™, simply lift the back of the sofa as shown in the diagram below.

What do I do if the motor doesn’t run?

Check to see if the power cord is plugged into an outlet which has power and is not connected to an on/off wall switch.

Will my bed deflate if there is a power surge or power loss?

No, your mattress will maintain its firmness. To protect your Sleep Number® Firmness Control System™, we do recommend using a surge protector.

What if I notice a rubber smell from the air chamber?

Any odor you may smell is non-toxic and will fade over time. To minimize the smell, allow the air chamber to air out for a few hours and then lay a couple of dryer sheets on top of the air chamber.
Defective or Damaged Components
If any of the following items are found to be defective in materials or workmanship within the first two years of the original purchase date, it will be replaced by Select Comfort at no cost to you. Within the first two years, all shipping charges to replace a defective component will be covered by Select Comfort.

- Mattress cover
- SLEEP NUMBER® Firmness Control System
- Air chamber
- Foam comfort pad
- Air-chamber exhaust caps
- Hoses

If one of the components listed above is found to be defective in materials or workmanship after two years from the original purchase date, the terms of the Limited Warranty below will apply. After two years from the date of purchase, you will be responsible for the cost of shipping the defective component back to Select Comfort and any related costs. Contact our Customer Service Department at 1-800-473-1073 for troubleshooting assistance and if you need to process the replacement order.

We recognize the fact that components may break, become soiled, or unusable and may not be covered under the warranty. As long as you own our SofaBed™ and can provide proof of purchase, you can purchase replacement components. All component sales are final and carry a 2-year Limited Warranty from the purchase date. Product discounts and accessory promotions do not apply to components.

Call our Customer Service Department for current pricing and to process the component purchase.

No Return Policy
Every Sleep Number® SofaBed™ is custom made to fit the unique specifications of each customer’s order. NO returns will be accepted or refunded.

Limited Warranty for the Sleep Number® SofaBed™ Mattress

What is covered:
- Select Comfort warrants that your mattress will be free from defects in materials and workmanship for a period of 20 years from the original purchase date.
- Mattress cover
- SLEEP NUMBER® Firmness Control System
- Air chamber
- Foam comfort pad
- Air-chamber exhaust caps
- Hoses

What is not covered:
- Conditions arising from normal wear and tear. (Conditions arising from normal wear and tear include, but are not limited to: mattress or compression, foam compression, or discoloredation of components.)
- Damage from tampering with any component or from opening the Firmness Control System.
- Damage from misuse or abuse of the warranted product or component.
- Damage from laundering or dry-cleaning.
- Acts of God, such as but not limited to lightning damage.

What you must do:
- Return the warranted product or component in sanitary condition to an authorized SELECT COMFORT® service center. Select Comfort will incur the cost of shipping up to two years after the original purchase date; after two years, the return shipping to Select Comfort will be at the customer’s expense.
- Please telephone our Customer Service Department at 1-800-473-1073 to locate the nearest authorized service center and arrange for the return of the warranted product or component.

What we will do:
- Select Comfort will repair or replace, at Select Comfort’s option, the defective product or component at a cost to the original purchaser based on the following table. The “price” is the price of the defective product or component at the time the warranty claim is made, or the price of a comparable product or component if the original product or component is no longer in production.
- For example, if a warranty claim arises 12 years after the original purchase date, the cost to the original purchaser would be 20% of the price (that is, 20% plus 4% for each of the 12 years) and Select Comfort would be responsible for the remaining 32% of the price.
- Select Comfort reserves the right to substitute products or components of equal or better quality, and to use or deliver refurbished products or components in the repair or replacement of any product under this limited warranty.
