Assembly:

To assemble your 360 FlexFit Special Edition Base, follow the [360 Flex Fit Adjustable Base Assembly Guide](#) and incorporate the below instructions.

- Complete steps 1-3 as instructed
- Step 4 – Skip this step.
- Step 5 – Secure the hoses into the black/grey clips that are already installed into the base.
- Step 7 – Attach the pump tray to the inside of the metal frame at the foot of the bed by inserting the blue rubber grommets into the large holes and slide the tray down to lock in place.
